

# CITY OF LODI FIRE DEPARTMENT FIRE CODE OPERATIONAL PERMIT APPLICATION

*Application is hereby made for permit(s) required by the 2016 edition of the California Fire Code. A permit constitutes permission to maintain, store, use or handle materials, or to conduct processes that produce conditions hazardous to life or property, or to install such equipment used in connection with such activities. Such permission shall not be construed as authority to violate, cancel or set aside any of the provisions of the Fire Code. Such permit shall not take the place of any license required by law.*

**PERMIT FEES: \$135 PER PERMIT**

**Please include the following information as necessary:**

- **Site plan** with access roadways shown (scale, 1":50' recommended)
- **Legend** including North indicator
- **Distances** to buildings, building openings, property lines, between piles, containers or tanks shown
- **Location(s):** Identify all materials and show all locations in storage and use  
 Be specific: Cabinets? Carts? Fixed installations? etc.  
 For **INTERIOR** storage and use – show on FLOOR plan (to scale)  
 For **EXTERIOR** storage and use – show on SITE plan (to scale)
- **Fire Protection** (proposed or provided); extinguishing systems, on-site hydrants, water supplies, fire alarm and detection systems, etc.
- **Knox Box** location (when required)
