Upon signing this agreement, customer acknowledges the following:

City of Lodi Electric Utility (LEU) reserves the right to inspect completed work and installed equipment. Rebate(s) will be paid only on work that meets LEU specifications. Customer certifies that they are familiar with, and agree to, the standards regarding this program. LEU disclaims any warranty, whether expressed or implied, for any materials or labor associated with installation, maintenance or repair associated with the equipment installed in this program. LEU will not accept any liability resulting from participation in this program. This rebate offer is subject to availability of funds and may be changed or discontinued at any time by LEU. **Rebate(s) totaling less than \$300 will be issued as a credit to the customer's City of Lodi utility account. A check will be issued for rebate(s) totaling \$300 or more. If the customer's City of Lodi utility account has an outstanding balance, the rebate will be applied to the account balance.**

I understand the above and certify that I am a customer of LEU, that the electric vehicle charging equipment and associated electrical upgrades (if applicable) are installed and operating at the location indicated and that this address is within LEU service territory. I agree that all credits allowed by the State of California's low carbon fuel standard credits program are the property of and belong to LEU. I agree not to take any actions to generate or claim such credits. I further agree to assign any such credits to LEU.
