CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Receive Presentation by David Clovis, General Manager, California Joint Powers Risk Management Authority (CJPRMA)

MEETING DATE: January 10, 2012

PREPARED BY: Risk Manager

RECOMMENDED ACTION: Receive presentation by David Clovis, General Manager, California Joint Powers Risk Management Authority (CJPRMA).

BACKGROUND INFORMATION: CJPRMA was established in 1986 as a general liability insurance pool for public agencies. During the 1980s, commercial insurance carriers had withdrawn coverage for public agencies, forcing those agencies to self-insure and join with other agencies to form insurance pools in order to protect public assets. Today, CJPRMA provides coverage and services to almost 100 public agencies. The City of Lodi currently participates in coverage programs for excess general liability, property, boiler and machinery, and vehicle physical damage through CJPRMA.

Additional services are provided to the members through the Risk Management Program. These services include a wide variety of training programs, audits of facilities and programs, and extensive consultation services. The CJPRMA Risk Management Program is designed to supplement and enhance existing member programs in order to increase their level of effectiveness.

General Manager Clovis will discuss the long term financial advantage of participation in insurance pools as well as the added value of Risk Management services. Details on premium rates and historical experience rebates will be provided.

FISCAL IMPACT: Not applicable.

FUNDING AVAILABLE: Not applicable.
