

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving Purchase of Medium-Duty Equipment Lift from Stertil-KONI, of Stevensville, MD (\$43,370), Using the California Multiple Award Schedules (CMAS)

MEETING DATE: February 20, 2008

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution approving purchase of a medium-duty equipment lift from Stertil-KONI, of Stevensville, MD, in the amount of \$43,368.80, using the California Multiple Award Schedules (CMAS) Purchasing Contract No. 4-07-49-0014A.

BACKGROUND INFORMATION: A new medium-duty lift is required for the new Municipal Service Center (MSC) Transit Vehicle Maintenance Facility because the existing, old, in-ground units cannot be relocated economically. This medium-duty equipment lift, rated at 20,000 pounds lifting capacity, will provide safe lifting capacity for the repair and servicing of City equipment, vehicles, and smaller transit buses, and will be utilized on a daily basis.

Staff realized, in planning for the new Vehicle Maintenance Facility, that the City of Lodi could save money by providing some of the needed equipment as "owner-furnished, contractor-installed" rather than including them in the building construction contract, saving what is typically a 5% to 15% contractor mark-up. This medium-duty equipment lift follows the heavy-duty lift that Council approved at the November 21, 2007 City Council meeting.

Staff planned to purchase this medium-duty lift and budgeted to pay for it with Transit Facilities Upgrade Funds, in the current fiscal year.

Diede Construction, who was recently awarded the contract to construct the MSC Transit Vehicle Maintenance Facility, has requested the exact design and installation specifications for the new medium-duty lift in order to meet the City's schedule. In order to comply with this request, staff's recommendation is to purchase the medium-duty equipment lift now. City staff secured three quotes for the medium-duty parallelogram lift that best fits in the new shop design. This medium-duty lift produced by the Stertil-KONI company is available on two government purchasing contracts, so staff used these contracts as two of the bids. California Multiple Award Schedules (CMAS) Purchasing Contract No. 4-07-49-0014A provides for the purchase of this equipment lift at almost \$5,600 less than the next lowest quote.

<u>Bidder or Contract</u>	<u>Amount</u>	<u>Fees</u>	<u>Total</u>
City's Estimate	\$50,000.00		
California Multiple Award Schedules (CMAS) Contract	\$42,466.79	\$902.01	\$43,368.80
Helping Governments Across the Country Buy (HGACBuy)	\$48,313.08	\$602.97	\$48,916.05
D.L. Carr Distributors, Inc., Syosset, NY	\$51,145.26	\$0.00	\$51,145.26

Per Lodi Municipal Code §3.20.045, State and Local Agency Contracts, the bidding process may be waived when it is advantageous for the City, with appropriate approval by City Manager and City Council, to use contracts that have been awarded by other California public agencies, provided that their award was in compliance with their formally-adopted bidding or negotiation procedures. Purchasing the medium-duty equipment lift now, utilizing the CMAS contract, allows us to provide Diede Construction the information they need while saving the City of Lodi money.

FISCAL IMPACT: Purchase of the medium-duty lift will provide a critical component of the City's new Transit Maintenance Shop Facility, allowing services and repairs to be made more efficiently and safely.

FUNDING AVAILABLE: Transit Facilities Upgrade (125079) \$43,368.80
