

## **CITY OF LODI COUNCIL COMMUNICATION**

**AGENDA TITLE:** Adopt State Mandated Rules for Owner Participation, Re-entry, and Relocation Methods for the Lodi Community Improvement Project

**MEETING DATE:** April 16, 2008

**PREPARED BY:** City Manager

---

- RECOMMENDED ACTION:**
- 1) Adopt a Resolution of the Redevelopment Agency Approving Rules to Aid in the Participation of Property Owners and Re-entry preferences for Property Owners and Business Tenants in the Lodi Community Improvement Project.
  - 2) Adopt a Resolution of the City Council Concurring with the Redevelopment Agency's Adoption of Rules to Aid in the Participation of Property Owners and Re-entry preferences for Property Owners and Business Tenants in the Lodi Community Improvement Project.
  - 3) Adopt a Resolution of the Redevelopment Agency Approving the State of California Relocation Law by reference as the Relocation Method for the Lodi Community Improvement Project.
  - 4) Adopt a Resolution of the City Council Concurring with the Approval of the Redevelopment Agency for Method of Relocation for the Lodi Community Improvement Project.

**BACKGROUND INFORMATION:** Redevelopment law requires that Redevelopment Agencies adopt several policies prior to the consideration of a Redevelopment Project. One of these laws, (Section 3339 of the Health and Safety Code) requires that the Agency give consideration to the participation in the redevelopment of an area by owners. As a matter of policy, staff assumes and believes that the Agency/Council wants to provide opportunities for participation in the redevelopment of the Project Area by property owners and tenants.

According to Solano Press, *Redevelopment in California* by David Beatty, "Owner Participation rules are usually brief and general". Because the Lodi Improvement Project will not have the power of eminent domain, the Owner Participation Rules are indeed brief.

APPROVED: \_\_\_\_\_  
Blair King, City Manager

In short, it is recommended that the Agency:

- 1) Notify property owners of the opportunity to redevelop their property;
- 2) Property Owners are encouraged to alert the Agency to their interest in developing their property;
- 3) After an initial evaluation of staff, the City Council will be requested to grant authorization to enter into negotiations with a property owner; then
- 4) Based upon available resources and the qualifications of the property owner to achieve the development, an agreement may be brought to the Council for approval.

The Agency is not obligated to enter into an agreement with owners, nor is it limited to current property owners within the proposed project area to provide assistance to. However, encouraging property owners to participate in the revitalization of the area can help to achieve the results desired of stimulating the economy and improving the general health and welfare of the community.

In addition to property owners, the Agency needs to make provisions for any business displaced due to Redevelopment Agency to “re-enter”, or find a new home, within the project area. Because eminent domain will not be a part of this Redevelopment Project, it is unlikely that displacement will occur. However, in consultation with advisors familiar with Redevelopment Law, it is recommended that a procedure be adopted to provide for re-enter. This procedure consists of keeping a registry of any business displaced due to Agency activities and attempting to find a replacement site to allow them to resume business.

The final two Resolutions that the Agency/Council is asked to adopt deal with a very improbable circumstance due to the elimination of eminent domain. But again, in an abundance of caution, it is recommended that the Agency adopt relocation rules. It is recommended that the Agency adopt and the Council concur with the adoption of the State of California Relocation Law (Government Code Section 7260 et seq.) and adhere to the California Relocation Assistance and Real Property Acquisition Guidelines.

**FISCAL IMPACT:** There are no direct impacts related to adoption of the draft resolutions. Early estimates indicate that the proposed Lodi Community Improvement Project Area could generate \$332 million dollars in tax increment revenue with a Net Present Value of \$131 million.

**FUNDING:** Not applicable.

## OWNER PARTICIPATION RULES

### FOR THE LODI COMMUNITY IMPROVEMENT PROJECT

#### 1. PURPOSE AND INTENT

These Owner Participation Rules (the "Owner Participation Rules") are promulgated to implement the requirements of the Community Redevelopment Law, California Health and Safety Code Section 33000, et seq., and to implement the provisions of the Redevelopment Plan for the Lodi Community Improvement Project ("Project"), particularly with respect to participation by Owners and extension of reentry preferences to Businesses in the project area of the Project (the "Project Area"). These Owner Participation Rules shall be applicable to the Lodi Community Project, as it now exists and as it may be amended in the future. The objectives of these Owner Participation Rules are (i) to implement the operation of owner participation in connection with the Redevelopment Plan for Project by Owners of real property located within the boundaries of the Project Area by encouraging, soliciting, and, as to participants selected by the Agency, carrying out by agreement participation in the Project Area, and (ii) to extend and establish reasonable preference to persons who are engaged in business in the Project Area to reenter in business within the Project Area. These Owner Participation Rules provide to Owners a reasonable opportunity to identify their interest in owner participation, to submit Development Proposals, to receive good faith consideration by the Agency of complete Development Proposals, and, as selected by the Agency, to participate in the redevelopment in the Project Area. These Owner Participation Rules also allow for negotiations for the redevelopment and participation in the Project Area by persons and entities other than Owners.

Adoption of owner participation and business reentry rules is required notwithstanding the fact that the redevelopment plan for the Project Area (the "Redevelopment Plan") will not contain the power of eminent domain by the Agency.

(b) A Development Proposal submitted by an Owner may provide for an Owner to participate in substantially the same location as the Owner's present use, may provide for expansion of the Owner's present use by retaining all or portions of Owner's property and acquiring adjacent property, may provide for the Owner's participation in a different location within the Project Area from the location in which the Owner's property is currently located, or may propose some other form of participation by the Owner in the redevelopment of the proposed development site.

(c) Owners shall provide such additional information as may be reasonably requested by the Executive Director and Agency staff.

(d) The Agency's staff will be available to discuss owner participation, respond to questions, and assist Owners in the preparation of Development Proposals; provided that the Owner in all instances, and not the Agency staff, shall be responsible for the content, form, and preparation of any Development Proposal.

### **3.3 Agency Board Evaluation of Development Proposals Submitted by Owners.**

(a) The Agency shall consider in good faith and without discrimination all Development Proposals submitted by Owners and determined by Agency staff to be complete at a regular or special Agency meeting. After good faith consideration of any Development Proposal, the Agency may authorize Agency staff to commence negotiations subject to availability of funding, resources, and other limiting factors for the purpose of arriving at an Owner Participation Agreement.

(b) In the exercise of its discretion, the Agency acknowledges that its primary purpose, objective, and duty is to carry out and implement the Redevelopment Plan and to eliminate blight in the interest of the health, safety and welfare of the community; the Agency additionally seeks to expand, preserve and improve the community's supply of affordable housing available subject to enforceable restrictions as provided under sections 33334.2 and 33334.3 of the Health and Safety Code. The Agency's decision to accept, conditionally accept, or reject any Development Proposal will be made in good faith and in consideration of such purpose, objective, and duty.

(c) Development Proposals shall be evaluated by the Agency with consideration of factors determined by the Agency to be relevant in carrying out its duties to implement the applicable Redevelopment Plan and the Implementation Plan, including without limitation the following factors:

(i) Conformity of the Development Proposal, including proposed uses, with the requirements, intent, goals, and objectives of the applicable Redevelopment Plan, the Implementation Plan, the City General Plan, any applicable specific plan, zoning, and other development standards, and other applicable enactments;

(ii) Quality of design and project concept;

(iii) The employment opportunities and economic benefits to the Agency and to the City which can be reasonably expected to result from the implementation of the Development Proposal;

(iv) The qualifications of the developer entity team proposed to develop the project, including financial capacity to undertake the project, prior experience with similar development, quality of prior development projects, degree of site control, ability to obtain financing, ability to abide by Agency design standards and development controls, and readiness to proceed;

(v) The estimated cost, if any, of City and/or Agency financial involvement, including the provision of City and/or Agency public services, subsidies, or public improvements required if the Development Proposal is accepted, and the availability of sufficient Agency and/or City funds to pay such costs;

(vi) The economic benefits to the Agency, the City, and the community, as determined by a cost/benefit analysis, if the Development Proposal were to be approved and the proposed project is implemented;

(vii) The effect of the Development Proposal on elimination of blighting conditions within the Project Area and the upgrading of uses;

(viii) The effect of the Development Proposal on achieving the affordable housing objectives of the Agency;

(ix) The probability of successful implementation of the Development Proposal, including without limitation likelihood of obtaining related approvals (such as approval by tenants, franchisor(s), or manufacturer(s), if applicable), as well as likelihood of economic success;

(x) The time schedule for completion of the proposed project;

(xi) The completeness of the Development Proposal;

(xii) The environmental benefits or impacts of the proposed development, and evaluation of the cost and method of mitigation of such impacts, if any;

(xiii) The impact of the Development Proposal on existing buildings and improvements with historic qualities or architectural qualities which enhance or benefit the Project Area; and

(xiv) The merits of the Development Proposal relative to the merits of other Development Proposals considering available resources.

(d) The Agency reserves the right to reject any and all Development Proposals and/or such other requests as may be made in connection with these Owner Participation Rules.

(e) The Agency does not, by adoption of these Owner Participation Rules, commit any resources or appropriate or approve the expenditure of any moneys or approve any development, redevelopment or renovation.

**3.4 Unsolicited Submittal of Statements of Interest and Development Proposals by Owners.**

(a) Under these Owner Participation Rules, Owners may submit Statements of Interest to the Agency on their own initiative, rather than through the solicitation of interest by the Agency.

**3.5 Concurrent Consideration of Development Proposal(s) Submitted by Non-Owners.**

(a) Any Non-Owner may submit to the Agency a Development Proposal for the proposed development of property within a Project Area at the same time that Owners are submitting Development Proposals solicited by the Agency pursuant to these Owner Participation Rules.

(b) The Agency may, but is not required to, evaluate, consider, and take action on such Development Proposal(s) from one or more Non-Owners concurrently with its evaluation, consideration, and action on the Development Proposals solicited by the Agency and submitted by Owners under these Owner Participation Rules.

**3.6 Negotiations Toward Execution of Owner Participation Agreement.** Subject to authorization of the Agency, Agency staff will, within the limitations of its currently available resources, use good faith efforts to negotiate toward and enter into a mutually acceptable Owner Participation Agreement (or other Agreement, as applicable) with each Owner who has submitted a Development Proposal. Each Agreement shall contain provisions necessary to ensure that the Development Proposal will be carried out with such covenants, conditions and restrictions as the Agency reasonably requires. Each Agreement will require the Participant to execute and record such further documents as the Agency may require in order to ensure conformance with the Community Redevelopment Law and other applicable laws, to provide record notice of covenants, conditions and restrictions which are imposed by the Agreement, and to provide security for the obligations of the Participant. All Agreements with an Owner shall become effective only when duly approved by the Agency Board and executed by the Owner/Participant. Good faith efforts by the Agency shall not be deemed to require or imply that public funds will be made available in connection with the Development Proposal or the activities proposed thereunder.

**3.7 Agency Action on Agreement for Development with Non-Owner.**

(a) The Agency may enter into an Agreement with any Non-Owner for the development or rehabilitation of property implementing a Development Proposal submitted by a Non Owner.

**4. REENTRY PREFERENCES FOR DISPLACED BUSINESSES**

Persons who are engaged in business in the Project Area which have been displaced by Agency activities who desire to exercise their reentry preferences shall follow the procedures which are set forth in this Section 4.

**4.1 List of Displaced Businesses.** The Agency will notify any business which is a Displaced Business (as defined herein) of their right of reasonable preference to reenter in business within the Project Area. Such written request shall be in writing and, if presentable, should be substantially in the form of the Statement of Interest in Business Reentry in the Project

Area which is attached and incorporated as Exhibit "B" to these Owner Participation Rules. The Agency shall maintain a list of such Displaced Businesses who have submitted to the Agency a written request for notice of opportunities to reenter within the Project Area. The Agency may periodically require Displaced Businesses on such list to resubmit requests for notice of reentry opportunities, and may delete Displaced Businesses from such list which do not resubmit such requests.

**4.2 Notice of Reentry Opportunities.** In the event that the Agency becomes involved with any redevelopment activity through an Owner Participation Agreement or Disposition and Development Agreement in which a Displaced Business might relocate, the Agency, through its staff, shall notify the project proponent in connection with such proposed Owner Participation Agreement or Disposition and Development Agreement as to the Agency's list of the opportunity to reenter in business in the Project Area. Notwithstanding the foregoing, if a Business owner requests that the name of such owner's business not be disclosed in connection with prospective agreements, the Agency staff need not disseminate the name of such business.

**4.3 Agency Extension of Preferences.** The Agency shall use good faith efforts to secure reasonable preferential rights for Displaced Businesses in Owner Participation Agreements or Disposition and Development Agreements which provide for the development of structures in which a Displaced Business might relocate. Displaced Businesses which desire to pursue such reentry opportunities may negotiate directly with the owner of the property in which the reentry opportunity is located. The Agency shall use good faith efforts to negotiate or intercede on behalf of the Displaced Business desiring to re-enter; provided that the activities and uses conducted by such Displaced Business are consistent with and further the proposed development, and provided further that such efforts shall not be deemed to require the payment of moneys by the Agency. The ability of Displaced Businesses to re enter will depend, in part, upon the ability of the Displaced Businesses to participate on the basis proposed, including such factors as the ability to pay the requisite rent, the suitability of the proposed use of the Displaced Business for the development under consideration, the Displaced Businesses' readiness to proceed, and other factors. The preferences established by this Section 4 shall not be construed to require the Agency to provide a subsidy or other financial assistance to such Displaced Businesses to enable them to reenter in the Project Area.

## **5. PROCEDURE FOR AMENDING OWNER PARTICIPATION RULES**

The Agency may amend these Owner Participation Rules at a duly noticed regular or special meeting held after their adoption.
