# CITY OF LODI COUNCIL COMMUNICATION

**AGENDA TITLE:** Update on White Slough Permit  
**MEETING DATE:** June 12, 2007 (Shirtsleeve Session)  
**PREPARED BY:** Public Works Director

---

**RECOMMENDED ACTION:** None; discussion only.

**BACKGROUND INFORMATION:** The City's wastewater discharge permit is in the process of being renewed. Recently, Central Valley Regional Water Quality Control Board staff provided City staff with an administrative draft permit. Staff had a number of questions and comments on details of the permit and met with Regional Board staff who tentatively agreed to most of the City's comments.

At the meeting, staff and our consultants, West Yost and Associates, will review the permit process and noteworthy requirements, as well as related issues. (We anticipate having the revised permit prior to the Shirtsleeve Session date but do not have it as of June 7, 2007, thus our presentation is not complete.)

**FISCAL IMPACT:** Not applicable.

**FUNDING AVAILABLE:** Not applicable.
