CITY OF LODI COUNCIL COMMUNICATION

TM

AGENDA TITLE: Presentation and Discussion Regarding Lodi Police Department Pistol Range
MEETING DATE: August 16, 2016
PREPARED BY: Chief of Police

RECOMMENDED ACTION: Presentation and Discussion Regarding Lodi Police Department pistol range.

BACKGROUND INFORMATION: The Lodi Police Department currently utilizes a gun range located in the basement of the old Police Department building. It is in a terrible state of disrepair.

The department uses this range for monthly SWAT qualifications, officer practice, and quarterly firearm qualifications. Citizens who hold a Concealed Carry Weapon (CCW) permit also use the range for qualifications. The range is in need of several repairs, including updated shooting lanes, soundproofing, ceiling repairs and increased ventilation.

The department plans to discuss the feasibility of a new outdoor range facility to be located at White Slough. There are several benefits to having both an indoor and outdoor range; the department will no longer need to travel to other ranges to practice and qualify with AR-15 rifles thus reducing staff overtime and peripheral costs. An outdoor range also allows the department more flexibility to train and qualify.

The department would like to conclude the presentation with an optional tour of the range for all Councilmembers.

FISCAL IMPACT: Not applicable.

FUNDING AVAILABLE: Not applicable.

FUTURE LPD OUTDOOR RANGE

Twice a year the department travels to the Linden Range to practice and qualify with our AR-15 patrol rifles, in addition to routine SWAT practice with entry rifles and sniper rifles.

Looking to the future, we are exploring the possibility of building our own outdoor range on city property in the White Slough area. This would be a great benefit, since every officer, detective, and SWAT operator is being issued their own AR-15 rifle, which cannot be fired at our indoor range.
