PREPARED BY: Public Works Director

RECOMMENDED ACTION: Presentation on transit Sunday service statistics, transit route and schedule modifications, and parking structure security services update.

BACKGROUND INFORMATION: The following items will be presented at the Shirtsleeve Session:

Transit Sunday Service Statistics

During the Comments by Public on Non-Agenda Items portion of the March 17, 2010 Council meeting, the City received a comment about low transit ridership on Sundays and the suggestion that the City should consider eliminating Sunday service. Staff will present Sunday, Saturday, and Weekday passenger and revenue hour statistics at the Shirtsleeve Session.

Transit Route and Schedule Modifications

City staff recently hosted two public information meetings to review the fixed route transit service after receiving suggestions and recommendations from customers and transit drivers. The following items were discussed at the public information meetings:

- Suggested Route and Schedule Improvements – Add Casa de Lodi area, reroute weekend route to Hutchins Street and Lodi Avenue, add express route bus stops at the Lodi Transit Station, add a morning express route from the Lodi Transit Station to Lower Sacramento Road/Kettleman Lane Transfer Station, and adjust all bus schedule times to improve on-time performance
- Fare Structure Changes – 31-day pass to replace the monthly pass
- Public Communications – Google Transit, Facebook, and regional promotion (Stuff the Bus)
- Transit System Improvements – Automated fare boxes/fare structure, bus shelters/benches, and bus route signage

Staff received positive feedback and will present this information at the Shirtsleeve Session.

Transit Parking Structure Security Services Update
