Solicitudes de interpretación de idiomas deben ser recibidas por lo menos con 72 horas de anticipación a la reunión para ayudar a asegurar la disponibilidad. Llame a Jennifer M. Ferraiolo (209) 333-6702.

CITY OF LODI COUNCIL COMMUNICATION

TM

AGENDA TITLE: Overview of Lodi Lake Park Erosion and North Side Restoration and Bank Stabilization Project

MEETING DATE: August 25, 2015

PREPARED BY: Parks, Recreation and Cultural Services Director

RECOMMENDED ACTION: Receive overview of Lodi Lake Park erosion and North Side Restoration and Bank Stabilization Project.

BACKGROUND INFORMATION: The Parks, Recreation and Cultural Services Department recently secured the services of ICF Jones & Stokes to develop a project that would protect sections of Lodi Lake Park from erosion and be attractive to grant funding. The area of focus in this project is along the riverbank from the Nature Area to the Youth Area.

The Lodi Lake Park North Side Restoration and Bank Stabilization Project would enhance native habitat, slow erosion, discourage public access in key riverbank locations that need time to stabilize, direct proper public use of the riverbank, formalize river access areas, enhance pedestrian circulation through the park and provide learning opportunities for park visitors. This project is being developed so that the City can meet the September 1, 2015, application deadline for the state River Parkways grant program.

Staff will provide Council and the public additional details at this shirtsleeve meeting. Feedback will be incorporated into the project description and grant application.

FISCAL IMPACT: Not applicable.

FUNDING AVAILABLE: Not applicable.

Jeff Hood
Parks, Recreation and Cultural Services Director

JH:tl

cc: City Attorney

APPROVED: _____
Stephen Schwabauer, City Manager
