Jennifer M. Ferraiolo
City Clerk

All staff reports or other written documentation relating to each item of business referred to on the agenda are on file in the Office of the City Clerk, located at 221 W. Pine Street, Lodi, and are available for public inspection. If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. To make a request for disability-related modification or accommodation contact the City Clerk's Office as soon as possible and at least 72 hours prior to the meeting date. Language interpreter requests must be received at least 72 hours in advance of the meeting to help ensure availability. Contact Jennifer M. Ferraiolo at (209) 333-6702. Solicitudes de interpretación de idiomas deben ser recibidas por lo menos con 72 horas de anticipación a la reunión para ayudar a asegurar la disponibilidad. Llame a Jennifer M. Ferraiolo (209) 333-6702.

CITY OF LODI COUNCIL COMMUNICATION

TM

AGENDA TITLE: Tour Harney Lane Grade Separation Project

MEETING DATE: November 29, 2016 (Shirtsleeve Session)

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Tour Harney Lane Grade Separation Project.

BACKGROUND INFORMATION: The Harney Lane Grade Separation Project started in April of 2016 and is nearing the halfway point of the construction schedule. The completed project includes a bridge over the Union Pacific Railroad and widening Harney Lane to four lanes between Hutchins Street and Stockton Street.

The bridge structure is being constructed in two separate phases to minimize traffic impacts within the project area. The south two lanes of the bridge, as well as intersection improvements at Hutchins Street and Stockton Street, and a substantial portion of the underground improvements associated with the project, are nearing completion. The south two lanes are scheduled to be open for two-way traffic next month.

Over the next 11 months, the contractor is scheduled to complete construction of the north two lanes of the bridge along with the lighting, landscape, and remaining soundwall elements of the project. Weather permitting, the project is expected to be complete by October 2017.

The Public Works Department, along with the contractor, DeSilva Gates Construction, LP, will provide a guided tour of the site. The tour, which leaves the Carnegie Forum at 7 a.m., is intended to provide the Council an opportunity to observe the project's current stage of construction, as shown in Exhibit A, and for staff to answer questions. A City transit bus will provide transportation.

FISCAL IMPACT: Not applicable.

FUNDING AVAILABLE: Not applicable.

Charles E. Swimley Jr.
Public Works Director

CES/CES/tdb

cc: City Engineer/Deputy Public Works Director
Construction Manager

APPROVED: _____
Stephen Schwabauer, City Manager
