

CITY OF LODI FIRE DEPARTMENT FIRE CODE OPERATIONAL PERMIT APPLICATION

Application is hereby made for permit(s) required by the 2010 edition of the California Fire Code. A permit constitutes permission to maintain, store, use or handle materials, or to conduct processes that produce conditions hazardous to life or property, or to install such equipment used in connection with such activities. Such permission shall not be construed as authority to violate, cancel or set aside any of the provisions of the Fire Code. Such permit shall not take the place of any license required by law.

Please complete the following information, attach any required plans or documents and remit permit fee(s).
