

Lodi Skate Park
at Kofu Park
1145 South Ham Lane

Lodi Skate Park Waiver Procedure

Waivers will be required by all skateboarders and in-line skaters, and if the participant is under eighteen years of age, it must be signed by the participant's parent/guardian. The waiver must be countersigned by an employee of the City of Lodi Parks and Recreation Department. Your parent/guardian must sign it in the presence of City staff, or the waiver must be notarized.

The participant will be given an identification card that will state that they have an approved waiver of file with the City of Lodi Parks and Recreation Department and are approved to use the Lodi Skate Park. The participant will be required to have that card and a photo ID with them whenever they use the skate park.

Waivers will be available at the skate park, at the City of Lodi Parks and Recreation Department office and on the City's website. You may obtain a photo ID and your proof of waiver from the City during regular business hours at the Lodi Parks and Recreation Department, for a fee of \$3. If you have your own photo ID, your skate card fee is \$1.
