Bike to Work Day - Thursday May 26, 2016

May is National Bike Month, a call to action for people across the nation to try bicycling to work and school and for leisure activities instead of driving. Bicycling improves air quality and rider health, and it reduces congestion on roadways.

Bike Lodi, San Joaquin Council of Governments' Commute Connection and City of Lodi are partnering to host Bike to Work Day on Thursday May 26, 2016.

This event will be held in the pedestrian walkway adjacent to Woolworth Plaza (115 South School Street) from 6:30 a.m. to 8:30 a.m. The event is open to all members of the community. Representatives from San Joaquin Council of Governments' Commute Connection, San Joaquin Bicycle Coalition, Bike Lodi, San Joaquin Valley Air Pollution Control District, Lodi's Bike Shop (formerly Lodi Bicycle Shoppe), and Downtown Bicycles (formerly Bikes and Bites) will be present. Free bike safety checks, bike commute information, snacks, coffee, and free handouts will be available.
