**FOR RELEASE SATURDAY, NOVEMBER 19, 2016**

### **ANNUAL LEAF REMOVAL PROGRAM**

The City of Lodi will begin its **ANNUAL LEAF REMOVAL PROGRAM** on Monday, November 28, 2016. We need your cooperation for a successful program.

Please rake leaves beyond the toe of the gutter. This keeps the water flow unobstructed.

The City **WILL NOT PICK UP** leaf piles that contain prunings, lawn clippings, or flowers. We cannot recycle plastic bags! Do not place plastic bags in the street!

Cars parked on the street impair the clean-up efforts. The sweepers have difficulty maneuvering around cars and crews cannot get to the leaves. Do not park your cars on the streets scheduled for collection until clean-up crews pass.

The sweeper starts at 4:00 a.m.; the collection crews follow at 6:30 a.m. The City will not collect piles placed in the street after collection crews pass. The City is divided into ten districts for leaf pickup. It requires approximately ten (10) working days to complete a cycle.

The Lodi News-Sentinel will publish a leaf pickup schedule every Saturday until the season ends.

If you need additional yard and garden waste wheelers, contact Central Valley Waste Services at 369-8274. Each customer can obtain up to three (3) yard and garden waste wheelers free of charge. Thank you for helping to keep the City Streets clean.
