City of Lodi joins the National League of Cities “My Healthy Hometown” Free Prescription Discount Program

City of Lodi will offer residents valuable savings on everyday prescription medicine costs.

Lodi, CA (April 10, 2018) – The City of Lodi has announced its participation in the National League of Cities (NLC) “My Healthy Hometown” Prescription Discount Program which allows them to offer all city residents the opportunity to save money with discounts on everyday prescription medicine costs.

The My Healthy Hometown Prescription Discount Program is free to all residents of City of Lodi. By showing a My Healthy Hometown Prescription Discount Card at a participating retail pharmacy, a city resident can receive an average of 24%* off the retail price of prescription medicine. There are no annual limits placed on use, no forms to fill out, no waiting periods, no age or income requirements and no medical condition restrictions.

Residents can obtain their free My Healthy Hometown Prescription Discount Card at city hall. They can also download a card online at www.nlc.org/resident-discount or obtain one by calling toll-free 1-888-620-1749.

Prescription discounts are good for the whole family and apply to pet medicines, too. Residents who do not have insurance can show their card to save on the cost of all prescription purchases. Those who do have insurance can show the card when their prescription medicines are not covered by their insurance plan.

This program is using social media to spread the word and gauge satisfaction. City residents can help other residents learn about the program and tell the city about their experiences by sharing their discount stories using #MyHealthyHometown in their social media posts.

The My Healthy Hometown Free Prescription Discount Program is **NOT** insurance.

*Savings may vary by drug and by pharmacy.
