

## How To Retrieve Benchmark Information

1. Go to <http://www.lodi.gov/> or <http://www.lodi.gov/survey>
2. Click on **City Maps**. This opens up the City GIS map.
3. Click on the Map Layers  button at the lower left side of the screen.
4. Zoom into the area in town you are wanting benchmark information.
5. Under the Map Layers dialog box on the left side of your screen, expand **Main Map > Public Works > Survey >** and check **City Benchmarks**. Benchmark symbols  will appear.
6. Click on the **Point Identify** button  in the upper middle part of your screen. Click on the benchmark symbol  you want to view the information. The benchmark information will appear on the left side of the screen in the Results dialog box.
