

City of Lodi GrapeLine GTFS Feed

Data for the Lodi GrapeLine (including timetables, route patterns, stop locations, calendars, and fares) is made available in the General Transit Feed Specification (GTFS) format. The GTFS is available online on the lodi.gov website, or on the TransitFeeds website. This data is maintained by City of Lodi staff; for GTFS-related inquiries, comments, or questions, please contact the City of Lodi Transit Division.

GTFS data is provided without warranties. The City of Lodi strives to maintain accurate and up-to-date data; however no availability guarantees are expressed or implied. The City of Lodi retains full rights to the data. The City of Lodi reserves the right to use the GrapeLine Logo, or City of Lodi logo. Third parties may not display these logos without written consent from the City of Lodi. Third party applications shall be presented as such and shall not be presented in a manner states or implies an endorsement or affiliation with the City of Lodi.
